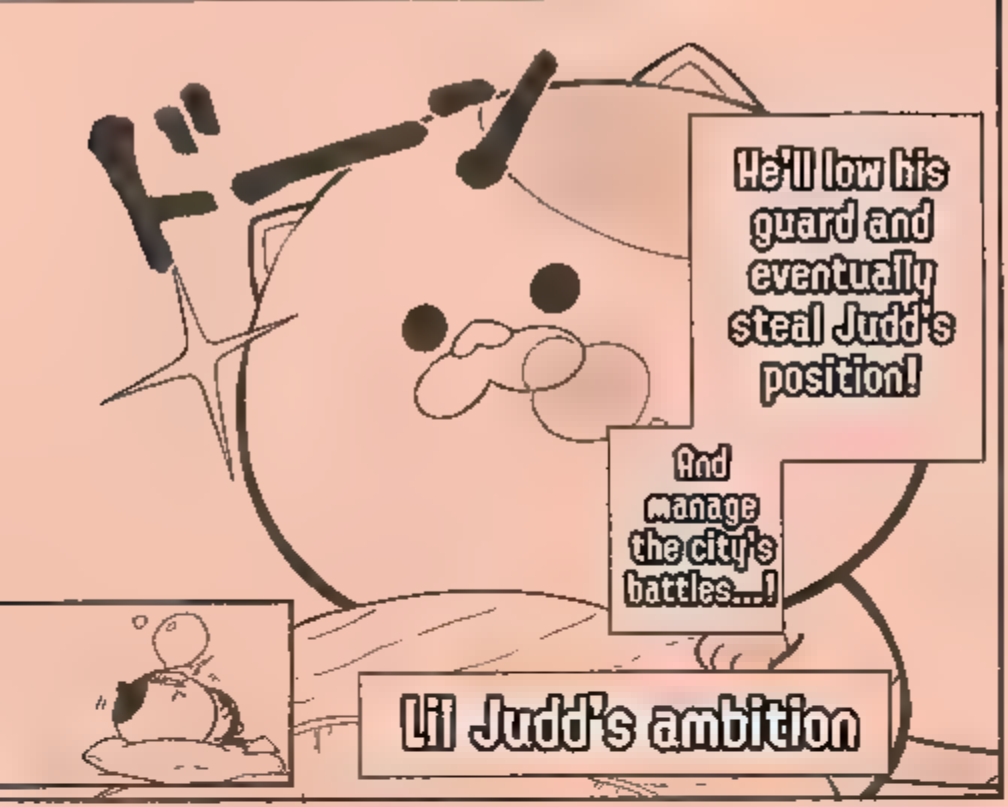
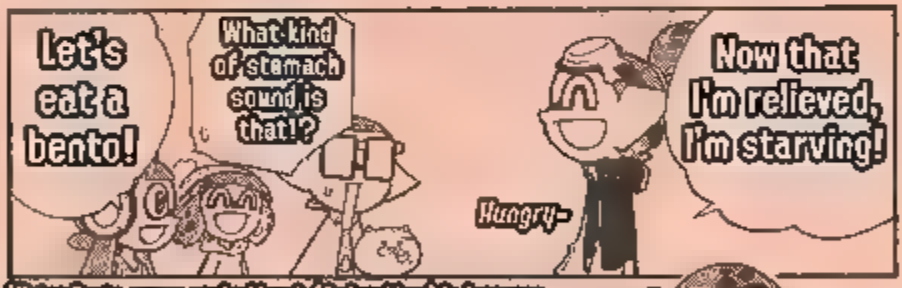
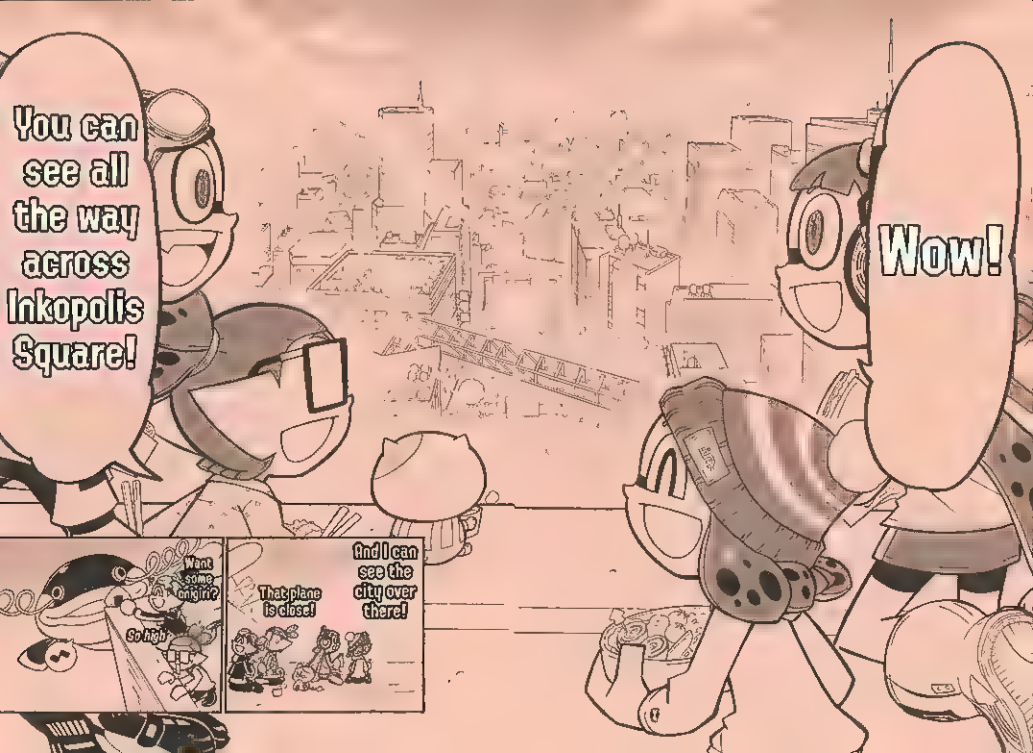
Eh-
You're giving it to Judd as a present?
So he disappeared because he was looking for a present
Since he's always looking after him
He says he's wrapping it up here where Judd can't see
I see
But this is just a preface...
It's great that he didn't get lost!





*Note: Bento means packed lunch (Or lunchbox) in japanese



You can see all the way across Inkopolis Square!

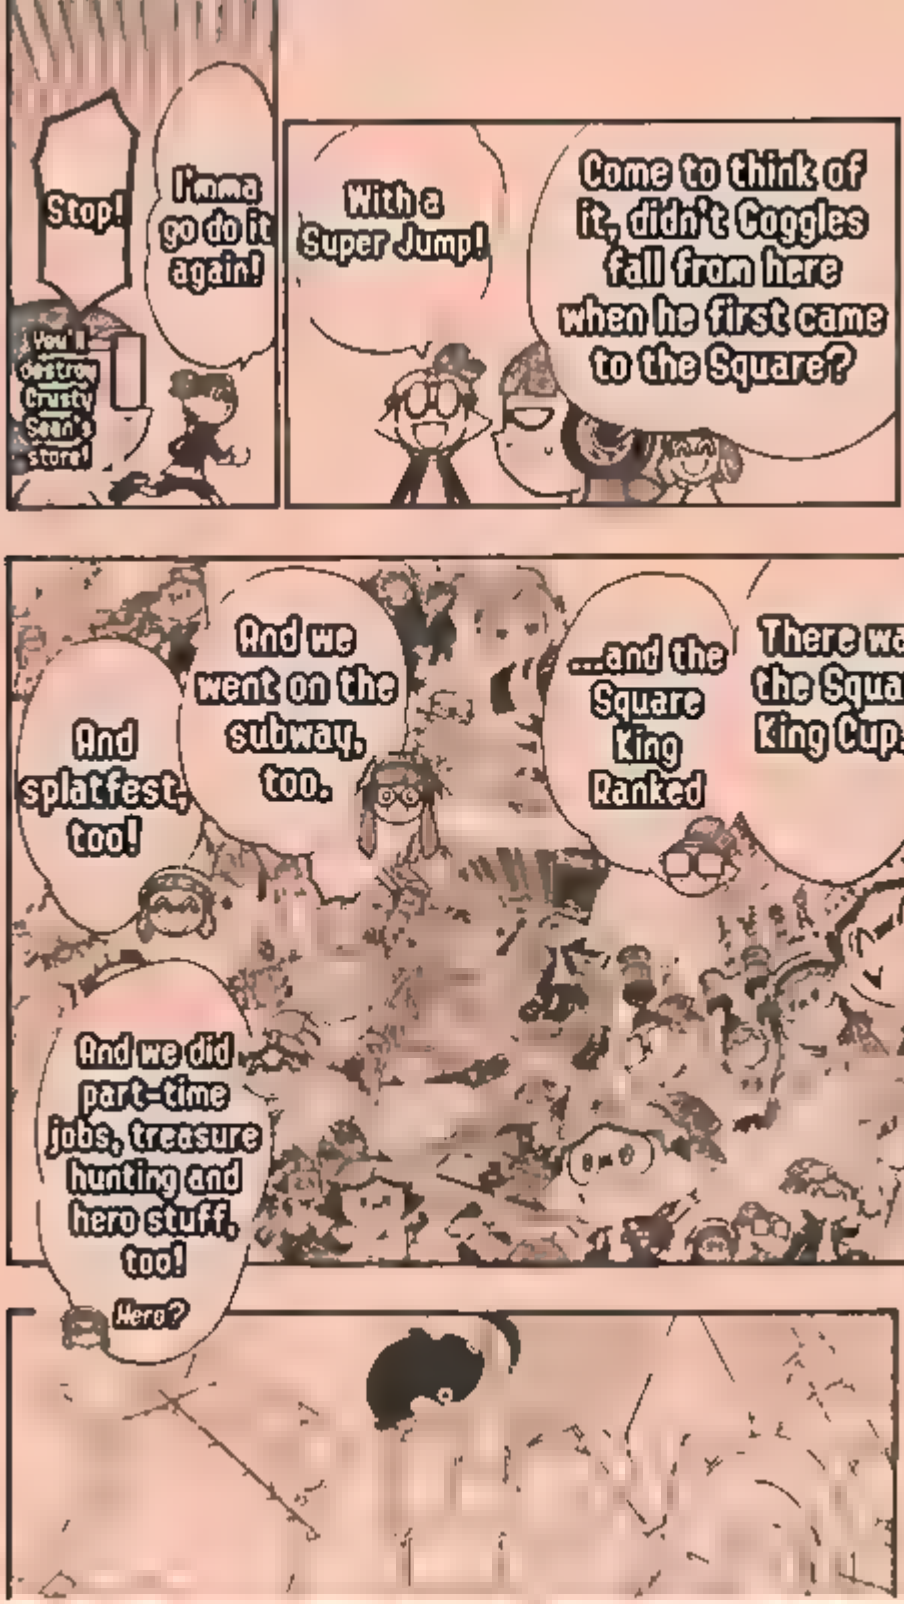
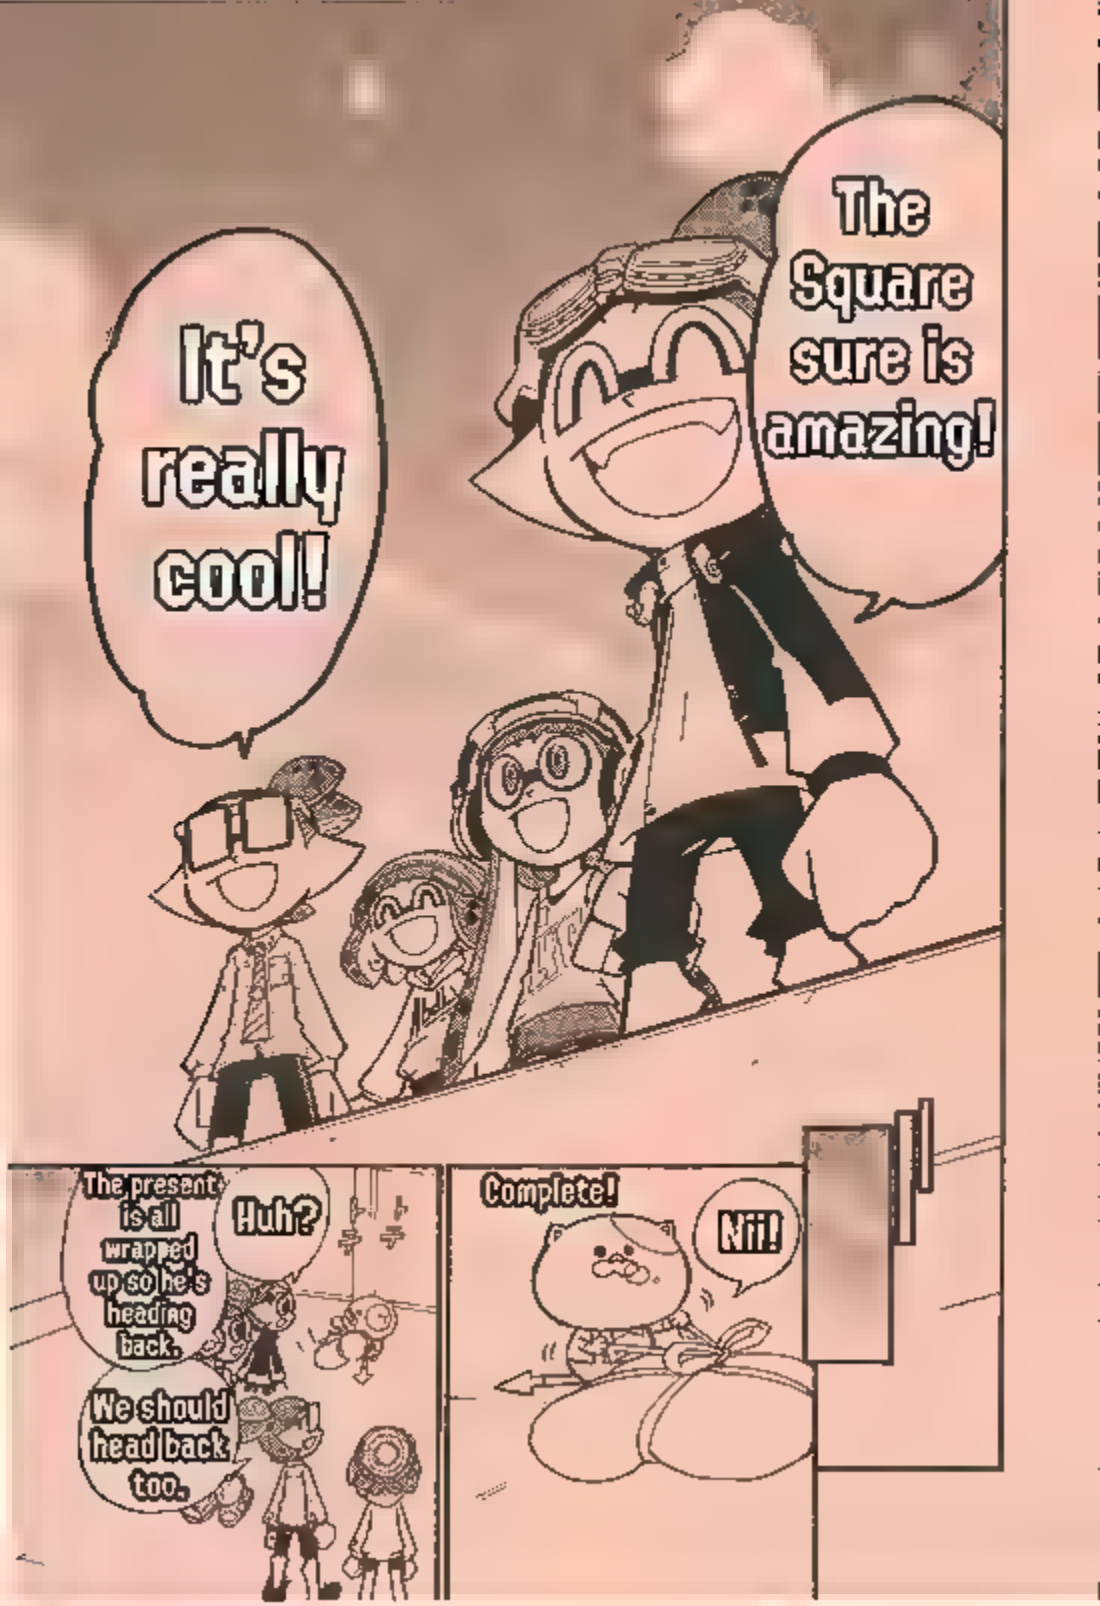
And I can see the city over there!



Stop!
I'mma go do it again!
You'll destroy Crusty Sean's store!
With a Super Jump!
Come to think of it, didn't Goggles fall from here when he first came to the Square?
And splatfest, too!
And we went on the subway, too.
...and the Square King Ranked
There was the Square King Cup...
And we did part-time jobs, treasure hunting and hero stuff, too!
Hero?



It's really cool!
The Square sure is amazing!
The present is all wrapped up so he's heading back.
Huh?
We should head back too.
Complete!
